

MEDITERRANEAN CONFERENCE ON EARTH OBSERVATION - REMOTE SENSING  
MEDITERANSKA KONFERENCIJA O SATELITSKOM OSMATRANJU ZEMLJE - DALJINSKOJ DETEKCIJI

Dear Sir,

On behalf of the Organizing Committee, we would like to bring to your attention the **“First Mediterranean Conference on Satellite Observation of the Earth – Remote Sensing”**, scheduled to take place in Belgrade on April 21-23, 2004. It is our sincere hope that you will find the topics on its agenda interesting and stimulating enough for yours Organization and you personally to have its representatives participate in its work.

The general information about this event is already available on the web site address [www.meceo.info](http://www.meceo.info), and First Announcement will be available soon. It explains the main reasons for organizing this Conference, its objectives as well as the key topics to be discussed. As undoubtedly one of the leading organizations in the field of remote sensing/satellite observation, it would be highly appreciated if your representatives, in addition to attending the Conference, would kindly share their experience, ideas and advice by presenting a paper on the topic(s) of their choosing. Additionally, a collection of papers submitted by Scientific Committee will be issued in a special publication of the Conference and widely distributed in the region and beyond.

In anticipation of your positive response, we thank you for taking time to consider this invitation. All your enquires should be directed to the Secretariat of the Conference to [btrivic@meceo.info](mailto:btrivic@meceo.info) or [dradojicic@meceo.info](mailto:dradojicic@meceo.info)

With very best wishes,

Organizing Committee of the Conference
